Florence Scovel Shinnphoto by Florence Scovel Shinn (no later than 1903) Born (1871-09-24) September 24, 1871 Camden, New Jersey, usadoductubtub of October 1940 (1940-10-17) (69) Nationalityamericanist, Author and New Tourned spiritual master. Florence Scovel Shinn (24 September 1871 in Camden, New Jersey: 17 October 1940) was an American artist and illustrator who became a new spiritual master of thought and metaphysical writer in his intermediate years. [1] In the circles of New Thought, Shinn is best known for his first book, *The Game of Life and How to Play It* (1925). She expressed her philosophy: the invisible forces are always working for the man who is always "tiring from the ropes," although he does not know. Because of the vibratory power of words, whatever man's voice, he begins to attract. Hopkinson Scovel. [3] His great, great, grandfather, [4] Francis Hopkinson, signed the Declaration of Independence and is the first American composer of documented song. [5] She was educated in Philadelphia, where she attended the Academy of Fine Arts in a colonial-style house designed by her husband, the artist Everett Shinn (1876 '1953). After the marriage, they moved to a study at 112 Waverly Place, near Washington Square, New York. Everett built a theater next door and wrote three works in which Florence played a leading role. [6] They spent their summers in Plainfield (Cornish Art Colony), New Hampshire and a colonial-style house, the artist Everett Shinn (1912). [7] Florence worked as an illustrator at the beginning of 1900. [8] She illustrated fiction in Harper and other magazines, as well as popular novels like Mrs. Wiggs del Patch de Cabbage (1901). [9] The illustrator chose it for an associate in 1903, even though it did not admit women to full membership in the organization until 1922. [10] In the early biographical sketch of Florence Scovel Shinn as an illustrator, she gives insight into her later writings and attitudes towards life. Her keen sense of humor crops out in every group, and the turn of the phrase gives a comical effect. The peculiar fact that Mrs. Shinn is endowed with is that she can draw the most beautiful little figures and yet infuse into the picture a happy, healthy atmosphere that impresses us with the warmth and joy of living. Her characters are never caricatures; they are appealing and provoke the laughter that bears malice. [11] Writings and New Thought her metaphysical works began with her self-published *The Game of Life and How to Play it* in 1925. Your Word is Your Wand was published in 1928 and *The Secret Door to Success* in 1940. [12] After her death another two works were published. The Power Of The Spoken Word in 1945 by Shinn Press [12] and *The Magic Path Of Intuition*. This last book was published by Louise Hay in 2013 who received from a rare books dealer a small, typewritten unpublished manuscript of the last writings of Florence Scovel Shinn, accompanied by a cover letter which said in part: Several Months ago we came across a unique item from that collection that we think you may have an interest in. A Publishing in The Americas Illustrated Monthly Magazine, 1904. Happy Infancy, Time, of Harper's monthly magazine, August 1903. A typical example of the Scovel Shinn Council was, it is sure to say that all disease and unhappiness comes from the violation of the Law of Love. A new commandment that I give you, "Love each other", and the game of life, love on goodwill ever trick takes. [14] His advice is usually accompanied by a "real life" Skin illness. The misma told her that she was incurable, and she was desperate. She was on stage, and she was afraid that she soon had to give up her profession, and she had no other means of support. She, however, acquired a good commitment, and on the opening night, she made a great time. She received flattering warnings from the chronic, and was cheerful and exalted. The next day she received a dismal notification. A man in the plaster had been jealous of her in her own and had caused her to be sent. She felt hatred and resentment by taking complete possession of her, and she shouted, "Oh God do not let me hate that man." That night she worked for hours "in silence." She said: "Soon I came to a very deep silence. It seemed to be at peace with myself, with man and with everyone. He continued this for two next nights, and at the third day he found that he was completely cured of the disease of the skin!" When asking for love, or goodwill, he had fulfilled the law, "for love is the fulfillment of the law and the disease (which came from subconscious resentment) was erased. [14] His book, his word is his word [15] and the game of life and how to play it [16] were published as audiobooks in 2014 and 2015, respectively, with the narration of actress Hillary Hawkings.
